Released in San Diego County*

From the Gate of the Jail to the Door of the Church

PROGRAMS IN NORTH COUNTY AND OTAY MESA

PRO Mentors is a Christian mentoring program for prisoners released in San Diego County. We have an immediate need for Christian men who will commit to mentoring a prisoner, first while he is incarcerated at Vista Detention Facility (VDF) or East Mesa Reentry Facility (EMRF) then for at least six months after he is released. Time commitment is 1-3 hours per week and will probably last about a year.
